File No. Nurses II/51 (R)

12-B

Office of the R.L.A.

A revised draft notification is sent herewith.

2. Form A in Schedule II to the Bombay Nurses, Midwives and Health Visitors Registration Rules, 1935, which relates to the certificate of Registration contains the following at the end:

"Sealed with the Common Seal of the Bombay Nurses, Midwives and Health Visitors Council in the presence of ....."

The proposed amendment therefore provides as to the persons in whose presence the common seal of the Council shall be affixed.

Since the existing Form provides for affixing the seal in the presence of the members of the Council and the Registrar, it will be necessary to amend the Form so as to provide for affixing the seal in the presence of the President and the Registrar. The Department should take simultaneous steps to amend the form as suggested above.

From Rule 21A of the Bombay Nurses, Midwives and Health Visitors Registration Rules, 1935, it appears that the curriculum for a probationer training as an Assistant Midwife covers a period of one year. From paragraph 3 relating to the rules of examinations for Assistant midwives published under Schedule IV of the said rules, it appears that the examination for Assistant Midwives is to be held every three months. In view of this fact, the difficulty pointed out by the Registrar of Council in his letter at page 55 can be overcome by directing that the preliminary notification already published (vide page 34 ante) should be finally published so as to come into force after a period of 18 months from the date of the final notification and by issuing a further notification afterwards providing as follows

"A candidate who has appeared anf failed at the examination for Assistant Midwives shall not be allowed to appear for such examination after

The date after which a candidate shall not be allowed to appear should be determined by the Government in consultation with the surgeon General. Under this rule, those candidates who have completed the course and appeared at the examination for the Assistant Midwives before the date on which it is to be abolished will get a right of passing the exaination before the dates specified as aforesaid.

Local A revised draft notification in place of ~~Lel~~ Self Government and Public Health Department Draft I is sent herewith.

2. The Local Self Government and Public Health Department may consider whether the words "and a certificate from the Examination Board that she has passed the ~~xxxix~~ examination in Male Surgical Nursing held by the Council," occurring in the second proviso to rule 9 may not also be deleted.

3. Rule 9 under the heading "(1) General Rules" in Schedule IV requires to be deleted as it is dependant upon rule 8 which is proposed to be deleted.

4. It is not necessary to cancel the provisional notification at page 34 ante as proposed in Local Self Government and Public Health Department Draft II.
